

# RF620I4-N

**Shock Sensor With Gs800 Sensor Head**

# RF620I4-N

## Shock Sensor With Gs800 Sensor Head

### Spécifications techniques

---

#### Généralités

|              |                                       |
|--------------|---------------------------------------|
| Product type | Magnetic Contact, Shock with analyser |
|--------------|---------------------------------------|

#### Filaire-Radio

|                    |                |
|--------------------|----------------|
| Wired-wireless     | Wireless       |
| Wireless frequency | 433 MHz legacy |
| Open-air range     | 150 m          |

#### Électrique

|                  |                |
|------------------|----------------|
| Batteries        | 1 x 3V lithium |
| Battery lifetime | 5 years        |

#### Caractéristiques physiques

|                     |                  |
|---------------------|------------------|
| Physical dimensions | 35 x 152 x 32 mm |
| Colour              | White            |
